PROFILE

Music and talk radio personality, seeking an interesting and creative position for growth within the company to expand upon strengths while taking on new challenges and continuously learning

EXPERIENCE

Evening Show Host 03.2011 – Present
KXNA-FM “104.9 The X” | Fayetteville, Arkansas

Voice track the Afternoon Drive and Evening Show to assist in the programming and on air schedule

Voice Over Artist | Event Host | Solo Musician 03.2011 – Present
JeffMrozek.com | Albany, New York

Sole proprietor of *JeffMrozek.com* continuing creative work for various clients ranging from car dealerships, retail, insurance, and more; musician, performer and event host/M.C. as requested by WQBK/J-FM clients who were interested in continuing a business relationship down other avenues; diverse ability to provide voice work or personality as needed for each individual campaign

On Air Personality | Assistant Music Director 09.1999 – 10.2011
WQBK/J-FM “Q103” | Albany, New York

Able to maintain a collected composure and manage multiple people at events that had many working parts; organize content on air and online; schedule and manage music to ensure artist/song separation for a good flow without repetition; interact with clients directly in person as requested which resulted in successful sales for the station; maintained an excellent relationship directly with clients which kept them very satisfied with each campaign; host the Afternoon Drive show for a modern, active and classic rock format station; produce all elements of the Afternoon Drive show; host on air interviews to promote and sell a client's product or service; read on air Live Reads as requested by several differing clients; update website content to keep a fresh and current feel to the Personality Webpage including blogs, news and photo posts with information relevant to the time; host remote events as requested all year long; make appearances to promote different campaigns

Afternoon Drive Host 03.1998 – 09.1999
WXCR-FM “WXCR Classic Rock 102.3” | Albany, New York

Produce all elements of the Afternoon Drive show; host nearly all remote events and go to appearances for clients; coach and air check other on air personalities to ensure quality and continuity across the station; collaborated with other personalities to continue creativity and fresh appeal to the listener

On Air Personality 02.1995 – 03.1998
WGIR-FM “Rock 101” | Manchester, New Hampshire

Appeared as the guest character, “Jeff the Intern”, on the *Baxter in the Morning Show* playing a stunt man, maintained the flow and productivity of the station and it's programs on weekend shifts, host of a Sunday evening metal show titled Whiplash, filled in where help was needed to learn as much about the industry as possible
